16oz
90mm rim

How strong do you like to drink your coffee?

The size of a coffee cup is one of the most important factor for great tasting coffee. A smaller cup 4-8oz generally results in a more flavourful latte or cappuccino and ideally your large coffee should be twice the size of your regular size.

ABOUT THE ARTWORKS

Our postcard series artworks are a collection of photographs from beautiful spots all over Australia.

Sanctuary Point Garden Centre, NSW

ANZAC Day Poppies, Sanctuary Point Garden Centre on the South Coast of NSW.

Lake Clifton Sunset, WA

Lake Clifton is a small town located on the east side of the lake of the same name in the Peel region of Western Australia.

Brighton Bathing Boxes, VIC

88 beach huts on Dendy Street Beach in Brighton, Victoria, Australia.

Hot Air Balloons, NSW

Hot air balloons over a beach in NSW during the summertime.

True Fill Postcard Series Hot Cups 86.5mm Rim

Introducing our new True Fill Postcard Series Hot Cups!

Available in a variety of sizes, these cups feature breathtaking landscape scenery that transforms your everyday beverage experience.

With the innovative True Fill design, you can savour the stunning views with every sip, making each moment a “postcard” memory.

True Fill Postcard Series Double and Single Wall Hot Cups

Our double and single wall Postcard Series hot cups are lined with PLA, a renewable and sustainable resource alternative to regular plastic lining. They are certified commercially compostable to Australian Standard AS4736 in industrial facilities where these exist.

Streamline your inventory of lids! Our 86.5mm rim size allows you to use the same lid across our 8oz, 10oz, 12oz and 16oz cup range.
