

True Fill Hot Cups

Designed for Baristas, our True Fill coffee sizes have been created for the ideal taste experience. Our 86.5mm rim size also allows you to use the same lid across our 8, 10, 12 and 16oz cups.

True Fill Hot Cups

Our True Fill hot cups have been designed for the ideal taste experience and to help our customers streamline their lid inventory.

Features and Benefits

- Lower milk usage and cost savings. True Fill represents the actual cup volume so there is no need to use extra milk to fill the cup to the brim thus resulting in cost savings on your milk.
- Ideal taste experience. No extra milk or water used during coffee making results in better milk to coffee ratio.
- One lid fits all. You can streamline your inventory of lids. Our True Fill 86.5mm rim lids have been designed to fit on all our True Fill hot cups.
